Proposal Title: _____

Along with the HDP 193 application form, students must submit a 2 page research proposal describing and justifying the research project. A complete proposal should include the following areas:

- * an introduction of the research topic with a proposed research question and an explanation of the significance of the project;
- * a brief survey of current literature on the topic;
- * a tentative outline of subjects and methods that might be used;
- * a preliminary reference list.
